## For Checks, Drafts and All Valuable Documents.

We have been the sole manufacturers of this paper since 1872. Until 1895 we manufactured it exclusively for Augustine Smith & Co. and their predecessors of New York City, under the well-known name of National Safety Paper.

Since the patents have expired we have continued its manufacture under the name of BANKERS SAFETY PAPER, and the improvements we have made, together with all the merits of the National Safety Paper, render this the most perfect Safety Paper on the market.

Any stationer in the United States will give estimates on this paper.
